Government Printing Office Also Used by the Agent for Beet Sugar Interests.

HAD FREE RUN OF IT.

Committee Sends for Officials to Make Explanation of Peculiar Methods.

By Samuel M. Williams.

WARHINGTON, June 12.-8 volving the name of Senator Lodge of in the Government printing office were made to-day by the Senatorial Investigating Committee.

Truman O. Palmer has long beer send of the Beet Sugar lobby in Wash agton. He is an expert in preparing herts and data concerning that infustry. On July 27 of last year Sens. after Lodge made a speech in the Senat on the walls of the chamber large card-board charts showing in diagram form various facts about the production and cale of sugar. We made a motion that these charts and the accompanying data appearing on them be printed as a Gov-ernment document. This was granted in perfunctory manner, the Congres-sional Record reporting the presid-ing officer as stating that, there being no objection, it would be so ordered. on the walls of the chamber large card-CHARTS WERE PREPARED BY BEET SUGAR MAN.

Thuse charts had been prepared by s small amount of printed master ex-clanatory of the meaning. When the locument finally emerged from the locument Printing Office it was a dovernment Printing Umos it was a passessible of sixty-three pages follo size, containing Senator Lodge's speech, to which had been added four pages of intesductory text and sixteen pages of addends text, besides many foot notes beneath each obart diagram. The title

beneath each chart diagram. The title
is "Sugar at a glance," compiled by
Trutinan G. Paimer.

Under the frank of Senator
Sedge the engar lobby has seen
free through the make these of
these pamphiets. The regular postage charge weakl he free cents
cook. But by the use of the Sencook. But by the use of the Sencook. Truth they have saved

Palmer was able to get the copy out of the Government Printing Office and fix it up to suit himself.

COMMITTEE WANTS TO KNOW NAME OF EMPLOYEE. The committee tried to find out with

whom he dealt. At first the witness could not remember. Then he recalled that it was an employee called the

that it was an employee called the purchasing agant.

Finally he said the man's name was comething like that of Abe Hummel. So there was a hurry up call sent for printing office employees having names bearing any resemblance to Hummel.

Mr. Palmer was an evanive witness. He could remember scarcely anything about the transaction. He had prepared the charts and some of the text for Senator Ledge's speech, he said, but he could not remember just what text was on the boards exhibited in the Senate chamber.

The originals were sent to the public The originals were sent to the public printing office for reproduction by officers of the Senate. Then a kind friend in the office sent Mr. Palmer a proof. The work was so poorly dene that he arranged to have new drawings made and the lithograph stones furnished at his own expense. Then he fixed up the additional text to suit himself.

"I feel at liberty." and the witness.

"I felt at liberty," said the witness "to make any corrections or add any reasonable matter along the same line of thought."

of thought."

The committee cent to the printing of-fice for officials to explain. They sent Mr. Palmer back to his office for all records and originals so as to compare what was presented to the Senate and what finally appeared in print.

The best sugar lobly token the title of the Valtet States Short Sugar Industry Association. It has spent Sico.coo in ten years, buring the pact of months its expenditures in Washington here \$60,000, meetly on chlories, printing and publicity.

PUBLIC PRINTER ADMITS A BUINGLE OF THE CHARTS.

BUNGLE OF THE CHARTS. After an hour's conference with the Public Printer the session was renewed. Then it developed that Mr. Palmer had a Glance" before Senator Lodge's the Vatienn and the Pope, his two sisspeech was made. The Government ters and niece and Cardinal Merry del Printing Office had bungled a reproduction of the charts exhibited in the Senate, Mr. Palmer told Senator Lodge. and was given a letter by the Senator Longe, and was given a letter by the Senator addressed to the Public Printer saying Palmer would act for him. Palmer said he offered free use of the lithugraph atones which had been made by his own printers for the first private edition. The Government Printing Office used "I haven't a doubt," mid Mr. Palmer, Morgan collection will be transferred "that acting as agent for Senator and placed under special care during the Lodge I inserted matter comporting time it is allowed to remain within the with the tenor of the document—any—chre of the city. The time is indefinite.

IN HONOR OF TILDEN.

Commission Makes Arrangements for Coremonial Anniversary.

to relieve the situation all around.

It is remarkable what effect is produced in financial circles by the mere knowledge of a reserve security even though it may never be called upon. Treasury officials cite the case of the Ohio flood when bankers in the Ohio region made frantic appeal to the Secretary for help to tide over local panicky conditions.

Mr. McAdoo authorized the issue and deposit of \$2,000,000 of currency in the national banks of Dayton, as might be scheft, Secretary.

The one hundreth anniversary of Sam-

national banks of Dayton, as might be required, upon their dapositing various kinds of bonds as collateral. The banks called for only \$122,000 of the \$1,000,000 they might have had. Simple announcement of the fact that the money was available so inspired for indicate that the actual money was not needed.

So in the case of this enormous issue of \$200,000,000 of emergency currency to meet the demands of harvests and comon Tuesday evening, Pab. 18, 1814, there will be a memorial meeting in Carnegie Hall, at which President Wilson has been invited to make an sedress.

BOHTON, June 11.—Gov. Foss to-day vetoed the so-called Washburn railroad bill, which would have ex-tended the credit of Massachusetts Ornshed to Death Under Elevator.

John Reihl, twenty-one years old, the powers of the fallroad commiswas caught under a freight elevator in sions. There has been a long fight Reid's ice cream works at No. 78 West over the legislation. Later the Senone Hundred and Thirty-second street ate also repassed the bill over the this morning and was crushed to death. Governor's veto by a vote of \$1 to 4.

ROCHESTER, N. Y., June 13.—Ja-cob Deim and William Vanderberg, both of this city, were killed this atternoon when the team they were driving took fright at a steam roller and run away.
